

TRIGONOMETRY

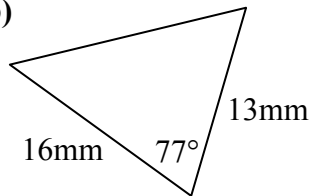

CALCULATOR

1) Calculate the area of these triangles.

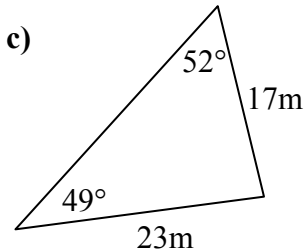

a)

b)

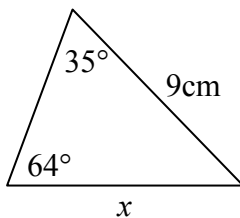

c)

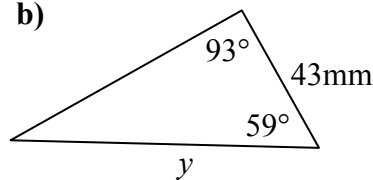

2) Calculate the size of the missing sides.

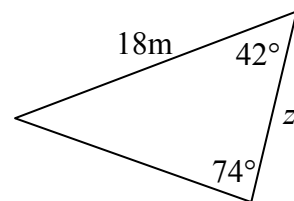

a)

b)

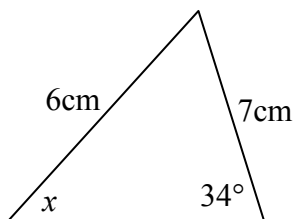

c)

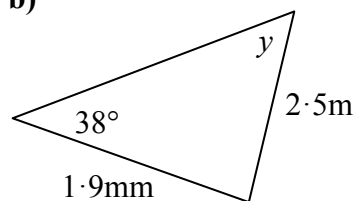

3) Calculate the size the missing angles.

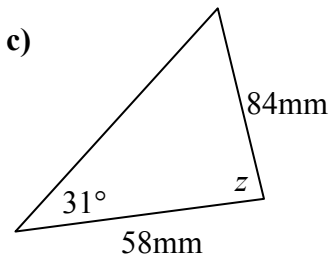

a)

b)

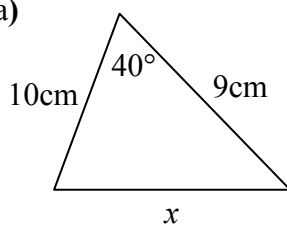

c)

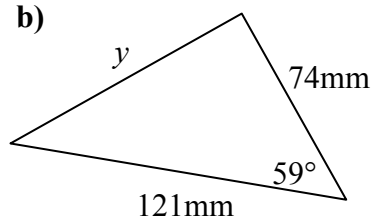

4) Calculate the size of the missing sides.

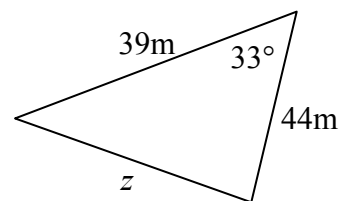

a)

b)

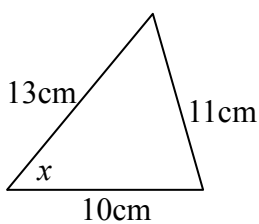

c)

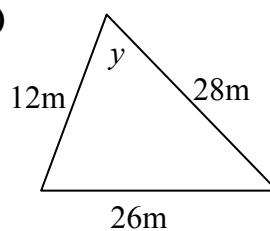

5) Calculate the size of the missing angles.

a)

b)

c)
