

PARTS OF SPEECH 1

Now you have learned the parts of speech and what they do, let's put that to the test.

The words in the cloud below are all nouns, verbs, adjectives or adverbs but they are all jumbled up. Copy the table into your jotter and copy the words into the correct column.

Once you have done that, make up five sentences, each of which uses at least three of the words in the cloud.

Good luck!
