ACTIVITY 1

Japan

How many islands make up Japan?

What are the four main islands of Japan?

Can you find the following cities and mark them on the map; Sapporo, Tokyo, Kyoto, Hiroshima.

For each of those cities find out the following information; the population of the city and one interesting fact about it.

Now produce a bar chart that shows the population of each of those cities compared with the population of Edinburgh.

Use the links on the next page to help you.
