

Leith Academy Transition Scavenger Hunt

We are really looking forward to meeting you all and would love you to take part in our Transition Scavenger Hunt. All the answers can be found on our school website at <http://leithacademy.uk>. This will help you find out more about Leith Academy, the staff, the subjects, the extra-curricular activities and some of the things you will learn about in S1. It will also help you get used to navigating our website.

Top tip: The best way to approach this is to keep a note of your answers on a piece of paper then once you have as many as you can find, fill them out on the Form <https://tinyurl.com/y92nan4p>, (this link is at the bottom of the last page of questions) and submit it by **Friday 19th June**.

The first two questions on the Form to submit your answers ask for your name and primary school.
