

Welcome to the Art Department!!!

Hello we are Ms Thomson, Ms Richardson and Mr Gallacher.

We teach art and design and we are looking forward to your enthusiasm and inquisitiveness.

We cannot wait to answer all your questions about what we offer in art and design. We are excited to teach you new skills and build on ones that you have been taught before like printing and ceramics.

We would love to improve your portrait studies so you can capture a likeness of friends and family.

Students have designed costumes and props for Diversity Day and school shows that celebrate the diversity and talent in other areas of the school.

Looking at the history of artists and designers we will open up ideas about how other people succeed in our subject and make you aware of potential future careers that are on offer.

We run an art club.

Last year our students participated in a Robert Burns competition, Christmas card and an RSA competition.

We have had a number of talented winners from Leith Academy the winner of the RSA competition won £250.

You could be in with a chance of winning a prize this year. You have to be in it to win it as they say.
