

Seafield Regeneration

You are invited to a Community Consultation

Stage 1: Drop-In, No Booking Necessary

Thursday 27th April

Between 3pm - 8pm

The Ripple Project Cafe,

198 Restalrig Road South, Craightonny

Saturday 29th April

Between 12:30pm - 3:30pm

Bellfield (Celebration Foyer),

16B Bellfield Street, Portobello

What's this about?

The creation of a Masterplan for the future regeneration of Seafield- we want to hear your ideas about how to physically transform Seafield into a better place.

Who's organising it?

7N Architects are working with the City of Edinburgh Council and Seafield: Connecting Coastal Communities.

Why should I come?

We will be there to listen to your personal experience of Seafield now and what opportunities you think Seafield could offer as a community in the future.

Why are there three stages?

We want to engage as widely as possible with the local community to include and share your feedback at each stage of the Seafield Masterplan development.

I can't make it, can I still get involved?

Visit www.edinburgh.gov.uk/seafieldregeneration to take part online.
